Celebrating a “Dynamic” Decade!

2008 - 2017

In 2007, a group of area musicians met to realize a dream: a community band for Bowling Green. The group was led by founding director and *Conductor Laureate*, Nick Ezzone. The result? **Bowling Green Area Community Bands!** A first concert was held in 2008, and the joy, enthusiasm, and excitement of those first days still identifies us: *esprit de corps!*

Now celebrating our Tenth Season, we are energized by that same spirit. Four main-series concerts plus two “outdoor” concerts anchor our 2016-17 season. We hope you will consider becoming part of the ‘family’ --

- you, who need something more than canned, passive entertainment
- you, who fondly remember your days in high school/college bands
- you, who are *eager* to make positive use of your *gifts* and *talents*
- you, who enjoy “re-connecting” with friends who are *like family*
